

# HÜSLER

THE SWISS TEXTILE SOLUTION

# READY TO RESCUE

The Hüsler collection for lifesavers.

## CLOTHING THAT FEELS RIGHT.

The Ready collection will keep you safe and warm, without restricting you unnecessarily. Premium materials provide perfect functionality precisely when it's needed. These interconnected materials are designed to protect you, having been combined with active technologies and abrasion-proof materials. For the right balance between protection, breathability and freedom of movement.

# READY TO RESCUE

You need to keep a clear head and respond quickly when everyone around you is panicking. Emergency doctors and paramedics have a job that saves lives but costs nerves. We put tremendous energy and passion into development – so you don't need to worry about the right clothing at such critical moments. A kit solution for everyone who gets up early or stays on duty late into the night. For anyone who confronts daily challenges to give their all – while racking their brains and remaining long periods on their feet!

## DRESSED FOR ACTION.

Our aim: only the best quality and functionality – all with the shortest transport routes. Stretch material equipped with Cold Black and Energear technology from Schoeller in Switzerland, high-quality certified fabric from Italy and proven YKK accessories. The result: Excellence in clothing.
