THE SWISS TEXTILE SOLUTION

HÜSLER'S AVIATOR

High-tech wear for professionals
with vitality and flair.

A SENSE OF ADVENTURE.

Whether on mud, stone, sand or asphalt: Our Aviator products are set to begin their big adventure with you. Thanks to numerous plus points like strengthened knee inserts, preshaped knee and arm sections, elastic seat inserts for enhanced freedom of movement and convenient pockets with plenty of space.

STRONG & STURDY

THE LOOK AND FEEL OF TECHNOLOGY.

The Aviator collection will keep you safe and warm, without restricting you unnecessarily. Premium materials provide perfect functionality precisely when it's needed. These interconnected materials are designed to protect you, having been combined with active technologies and abrasion-proof materials. For the right balance between protection, breathability and freedom of movement.

DRESSED FOR ACTION.

Our aim: only the best quality and functionality – all with the shortest transport routes. Stretch material equipped with Cold Black and Energear technology from Schoeller in Switzerland, high-quality fabric from Italy, Cordura inserts on the knees and proven YKK accessories. The result? Excellence in clothing.
